Hi Tim. We are doing well here. No real issues with weather. It has been mild considering how it could be. You may stop when you are in the area. I have a phone conference Wed around 1 PM. Other than that, I am free.

Eric, hope you are doing well with this snow and ice we have had recently.

I will be traveling Wed this week in your area. Any interest in having me stop by at ~ 11 AM Wed ?

Good Afternoon:

We received a majority of our final manifests and CD. In organizing we found that we have a manifest from another site, USEPA Region 04/ Guilford Plating (dated 01/12/2017-01/13/2017). I am not sure if Chris Tripp is an EPA representative. Please let me know what I should do with this specific manifest.
